RE: Insurance Information

Acme Hardwar Employee:

It is our pleasure to provide information on the health insurance available through Acme Hardware. The information in the package contains:

- Eii summary of all benefits offered by Acme Hardware
- **RCI's** summary of plan design
- **NexStep Companion Plan** which supplements the **RCI's** medical insurance.
- **Delta Dental** benefits
- Enrollment forms

Enclosed please find the medical enrollment information with RCI. Acme Hardware will generously contribute 90% of employee premium and 50% of dependents premium. Any costs to the employees are withheld proportionately each pay period on a pre-tax basis. RCI plan design is included in this package.

It is not necessary to name a primary care physician with RCI! You may go to any physician in the network without a referral. RCI uses the CIGNA Nationwide Network which is a very comprehensive network. For the most current information on physicians and hospitals participating with RCI:

1. Visit Cigna.com - click on "Find a Doctor" (upper right).
2. On the next page, click on "If your insurance plan is offered through work or school..." (large orange box)
3. Click "Pick" (small pink box)
4. Click "PPO, Choice Fund PPO" in the pop-up box.

NexStep Companion Plan is used to supplement the RCI medical plan. The NexStep Companion Plan helps pick up hospital expenses that might not be covered by the medical insurance. Acme Hardware generously pays 100% of the NexStep premium for employee and dependents

Acme Hardware offers voluntary dental coverage thru Delta please send plan design and enrollment forms included in this packet.

Please give completed enrollment forms to Briar Rabbit for processing. Thank you again for your help and expedience in this application process. If you have any questions, please feel free to call me at (303) 932-1151. We are here to help with any of all your insurance questions.
